Waiting for Stanley

Now Touring February – April 2015

THE LIST - Top 10 Best Reviewed Shows of 2012

WAITING FOR STANLEY takes us back to 1945 and a railway station platform where a wife is anxiously waiting for her husband, Stanley, to return from the front. The train arrives full of homecoming soldiers but her Stanley doesn't appear...

Clowning, puppetry and innovative stagecraft combine in a series of hilarious and poignant flashbacks, to paint a vivid picture of how life was for Britain's women during the war. This pacy story is based entirely on real-life experiences and testimony. With 2015 being the 70th anniversary of the end of the Second World War in Europe, *Waiting for Stanley* is a very fitting and poignant reminder of the varied and crucial role women played.
